- Temperature Class 3M1
- Flat top/glass top
- Front glass hinges forward if required
- Rear glass sliding doors
- Digital controller and temperature display
- Anti mist front glass
- Castors
- Easy to clean condenser filter

Refrigerated display counter with flat glass structure

The PDA3-CTF is our high-quality range of refrigerated display counters. With its black finish, glass shelves, and LED lighting in the top of the unit as well as below each shelf, it offers a stylish design and product presentation.

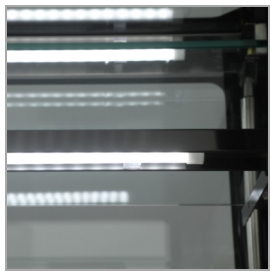

The counter has an efficient ventilated cooling system and temperature class 3M1, ensuring that food, pastries, and cakes are stored under optimal conditions. The temperature is easy to set on the digital controller.

The unit has sliding doors to the rear for smooth service and loading, while the front glass hinges forward for easy cleaning. The counter is equipped with castors for mobility.
